The lantern keeps going.

We proudly present the third V/A release on Areal in the spirit of the drawing of „Idris Geog Said“.

„Rabimmel Rabammel Rabum Bum Bum“ is the original version (a German children’s song for St. Martin’s Day on which children walk in processions with self-made lanterns in the evening), and „2Rabimmel 2Rabammel 2Rabum 2Bum Bum“ was its first follow-up. The latter was released as a CD and included the first „Rabimmel“ version as bonus tracks.

With this jubilee release, we are going to revive this series again.

And this time, it is guest star Dj Koze walking around with his lantern, and his lantern in return, with Ada and Basteroid..

Up in the sky, the stars are shining bright, and down here, it is us who are shi-hining bright!
